Step 1: Your Profile Assessment

Skills Evaluation

A thorough assessment of your professional skills, qualifications, and experience.

Language Proficiency

Evaluation of your German and/or English language abilities.

Career Goals

Understanding your career objectives and how they align with the German job market.

Visa Eligibility

Determining your eligibility for various types of German work visas.

This crucial first step helps tailor the entire process to your unique profile, ensuring the best possible outcome for your visa application.

Step 2: Job Scope Scanning

Market Analysis

Our team conducts a comprehensive analysis of the German job market, focusing on sectors relevant to your skills and experience. We identify emerging trends, high-demand roles, and potential opportunities that align with your career goals.

Employer Research

We research potential employers, including large corporations, SMEs, and startups, that are actively seeking international talent. This includes understanding their hiring processes, work culture, and specific requirements for foreign employees.

This step is crucial in positioning you effectively in the German job market and increasing your chances of securing a suitable position.

Step 3: Number of Employer Interviews Commitment

10-12

Unlock the potential for increased interviews based on the profile's requirements.

We commit to arranging an average of 10 to 12 interviews with potential employers.

1-2

Months Duration

This interview process typically spans over 2 to 3 weeks.

80%

Success Rate

Our clients have an 80% success rate in securing job offers through these interviews.

This commitment ensures that you have multiple opportunities to showcase your skills and find the right fit. We prepare you for each interview, providing insights into the company and German interview customs.

Step 4: Signing the Memorandum of Understanding (MOU)

Clear Expectations

The MOU outlines the services we provide and what is expected from you during the process.

Legal Protection

This document offers legal protection for both parties, ensuring a fair and transparent process.

Commitment

By signing, you demonstrate your commitment to the process, which is viewed favourably by potential employers.

Customisation

The MOU can be tailored to address any specific concerns or requirements you may have.

Signing the MOU marks the official start of our partnership in your journey towards obtaining a German Work Permit Visa.

Step 5: Process Initiation - CV Formatting and Profile Creation

1

CV Analysis

We thoroughly review your existing CV, identifying areas for improvement and alignment with German standards.

2

Reformatting

Your CV is reformatted to meet German expectations, highlighting key skills and achievements.

3

Translation

If necessary, we provide professional translation of your CV into German.

4

Referring to our Employers and Network of Contacts

Connect with top talent through our extensive network of contacts and referrals in talent acquisition and HR consulting.

This step ensures that your professional profile is presented in the best possible light to potential German employers, increasing your chances of securing interviews.

Step 6: Finalising the List of German Employers and HR Network Profile

1

Market Research

We conduct in-depth research to identify German companies in your field that are open to international hires.

2

Network Expansion

Our team leverages its extensive HR network to uncover additional opportunities and insider information.

3

Employer Shortlisting

We create a curated list of potential employers, considering factors like company culture, growth potential, and visa sponsorship history.

4

Profile Matching

Your profile is carefully matched with the requirements and preferences of each shortlisted employer.

This comprehensive approach ensures that we target the most suitable and promising employment opportunities for your specific skills and career goals in Germany.

Step 7: CV Formatting, Cover Letter Preparation, and Covering Email

CV Finalisation

Your CV is given a final polish, ensuring it adheres to German standards and highlights your key strengths.

Cover Letter Crafting

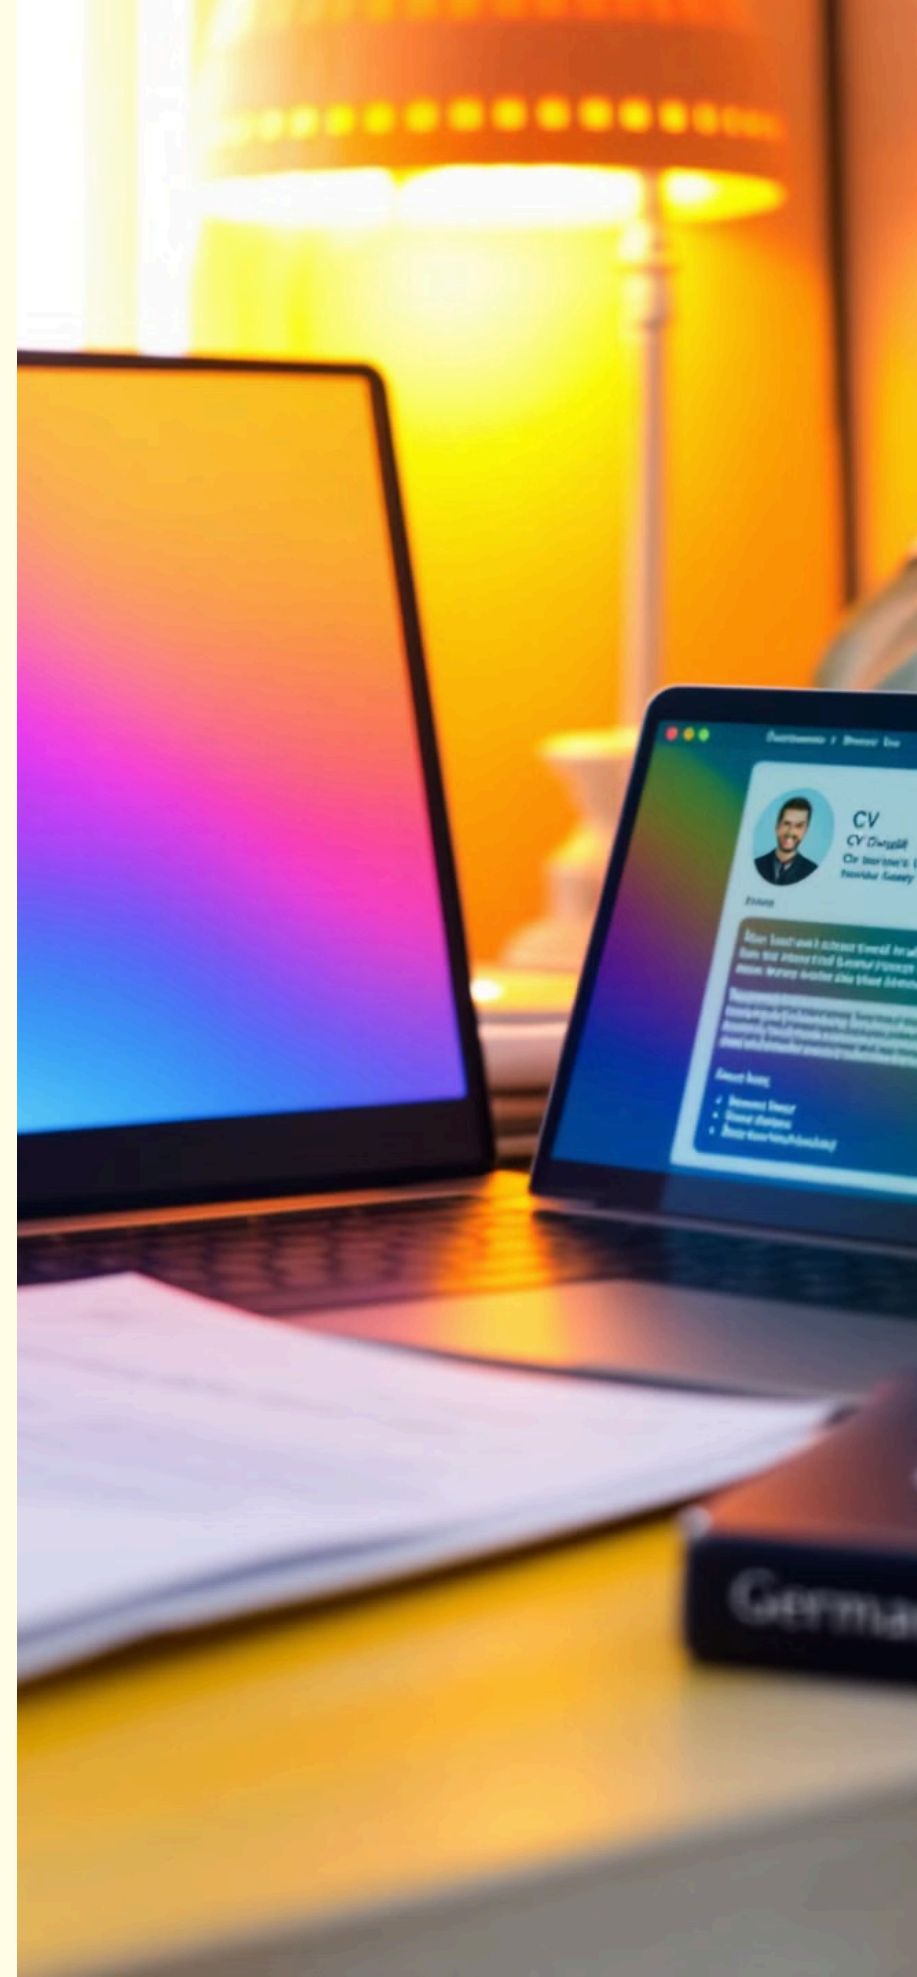

We create a compelling cover letter tailored to each specific job application, showcasing your relevance to the role and company.

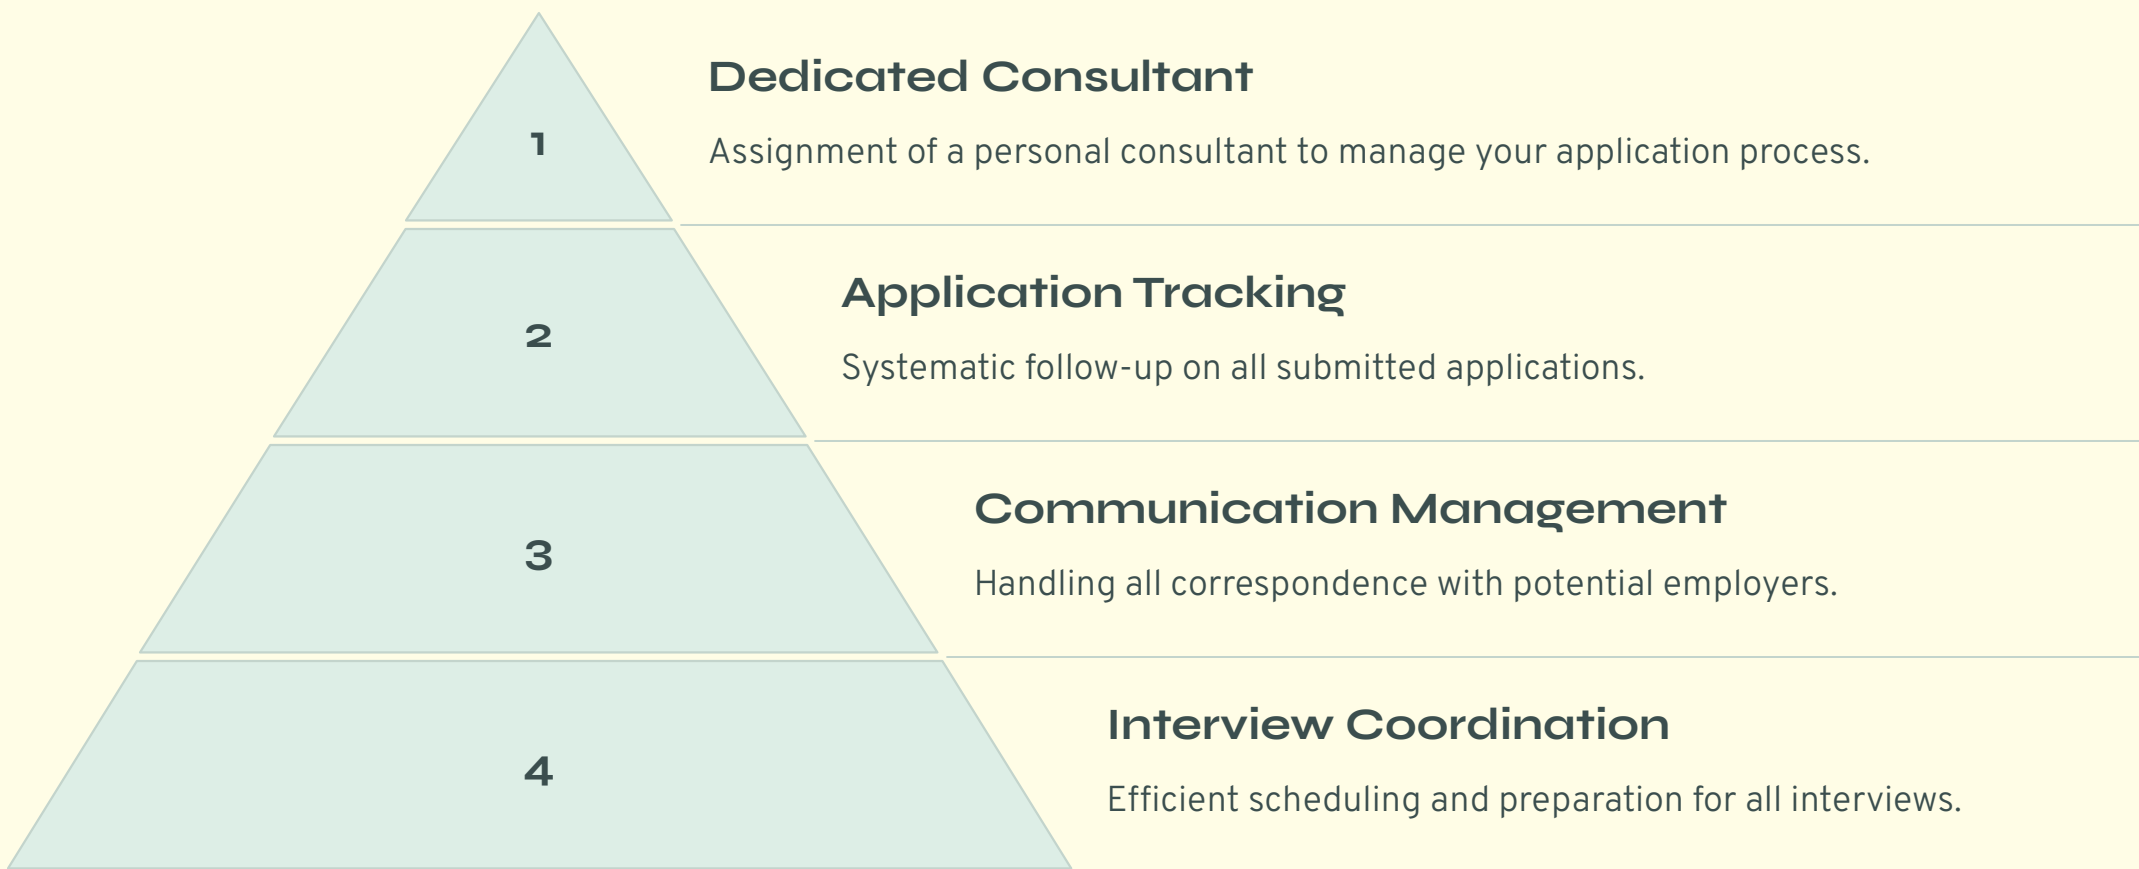

Email Composition

A professional covering email is prepared, designed to make a strong first impression and encourage employers to review your full application.

These meticulously prepared documents form the cornerstone of your job applications, significantly increasing your chances of securing interviews with German employers.

Step 8: Assigning a Consultant for Follow-ups and Interview Scheduling

Your dedicated consultant acts as your personal representative, ensuring smooth communication with potential employers and maximising your interview opportunities. They provide valuable insights and prepare you for each interaction, increasing your chances of success.

Step 9: Germany Work Permit Visa Slot Booking

1

Job Offer Secured

Congratulations on clearing the technical interview and receiving a job offer!

2

Visa Category Determination

We identify the most appropriate visa category based on your job offer.

3

Appointment Scheduling

We book your visa application appointment at the German embassy or consulate.

4

Preparation Guidance

We provide comprehensive guidance on what to expect during your visa appointment.

Securing your visa appointment is a crucial step towards realising your goal of working in Germany. We ensure this process is smooth and timely, keeping you informed at every stage.

Step 10: Preparing Documentation

Essential Documents

- Justification letters for your stay in Germany
- Proof of insurance
- Detailed travel itinerary
- Accommodation arrangements

Our Approach

We meticulously prepare three complete sets of documentation for your visa application. This thorough approach ensures you have backups and are fully prepared for any additional requests during the visa process.

Our expertise in document preparation significantly increases the likelihood of a smooth and successful visa application process. We ensure all paperwork is complete, accurate, and presented in the required format.

Step 11: Document Submission at VFS Centre

1 Location Selection

We book your appointment at either the Chennai or Bangalore VFS centre, based on slot availability and your convenience.

2 Appointment Preparation

We brief you thoroughly on what to expect during your appointment and how to present your case effectively.

3 Document Check

A final review of all your documents is conducted to ensure everything is in order before submission.

4 Submission Process

We guide you through the actual submission process, ensuring all requirements are met.

This step marks a significant milestone in your journey towards obtaining a German Work Permit Visa. Our support ensures you're fully prepared and confident for this crucial appointment.

Step 12: Visa Approval and Stamping

Application Processing

Your application is processed by the German authorities. This typically takes 4-6 weeks.

1

2

Approval Email

You receive an email confirming the approval of your Work Permit Visa.

Passport Submission

We guide you on submitting your passport for visa stamping.

3

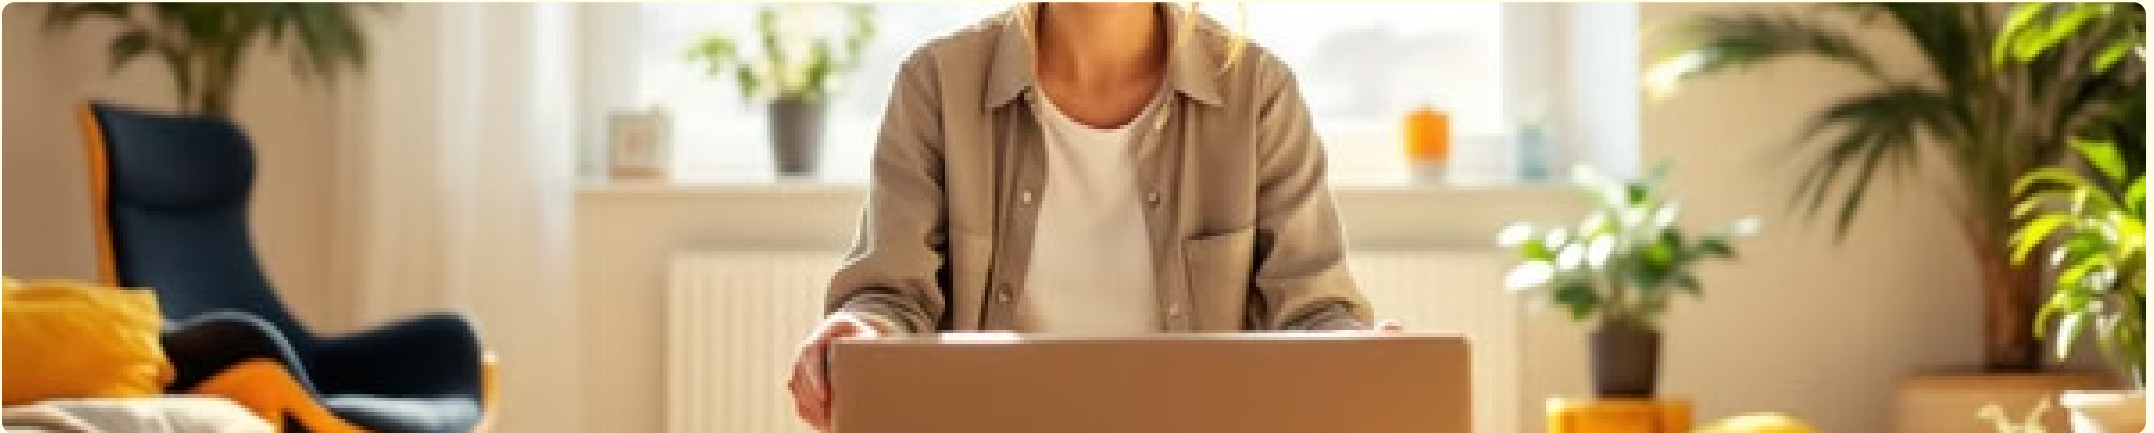

4

Visa Collection

Your passport with the stamped Work Permit Visa is ready for collection.

This final step concludes your visa application process. Once you receive your stamped visa, you're officially ready to embark on your new career journey in Germany!
